# BOS TAURUS

## FROM THE PRINCIPAL'S DESK

Dear Friends,

I am delighted to learn that the students of Government Medical College, Ongole are bringing out a bi-monthly magazine by name "BOS TAURUS". Activities of this nature not only highlights the happenings of the campus but also unravels the literary talent of the students. The magazine is aptly named as "BOS TAURUS" which is the scientific name for the 'Ongole Bull' which In-turn is an indication of strength. I congratulate the students and faculty responsible for this endeavor and wish them all success.

Dr.P.V.Sudhakar

# EDITORIAL

India@ 75 Government of India has decided to celebrate 75 glorious years of independence by paying tribute to people who were instrumental in bringing India to this stage in the spirit of 'Atmanirbhar Bharat'.

The five themes of Azadi Ka Amrit Mahotsav are:

1. Freedom struggle
2. Ideas @75
3. Resolve @75
4. Actions@75
5. Achievements@75

As a last note our independent is hard earned with many sacrifices, this Azadi ka Amrit mahotsav celebrates this very spirit of Indomitability, truth and progress which are the hallmarks of our nation.

## ABOUT BOS TAURUS

“Bos taurus” also called as Bos indicus is a cattle breed originating in Indian sub-continent .

This species is specifically considered to be sacred. Also called “ongole bull” which gave an international fame to prakasam district due to it's immense physical strength and fighting spirit.
